

**GOLF LEAGUES: Women, Coed, Men, Seniors**

These recreational golf leagues are designed for individuals seeking a fun golf league without the high green fees and that overly competitive golfer. We are offering various different leagues hosted on Milwaukee County Golf Courses. The leagues are classified by skill level and season (Summer/Fall). Participants meet weekly, generally with tee times between 4:30 PM – 6:00 PM. Registration is ongoing and leagues start the first week of June.
