

Milwaukee Public Schools AFTER SCHOOL PROGRAMS

Milwaukee Public Schools

For thousands of Milwaukee children, MPS after-school programs represent a safe place to go for homework help, enrichment activities, healthy snacks, and positive social interaction. MPS operates four separate after-school programs which are designed to meet the needs of today's busy families: Child Care Camps, Cooperative Tutoring, 21st Century Community Learning Centers (CLCs), and Safe Places. Together, these programs serve thousands of children at over one-hundred school sites. To learn more about your local after-school programs, call (414) 475-8701 or visit www.MilwaukeeRecreation.net.

Milwaukee Public Schools AFTER SCHOOL PROGRAMS BENEFIT

K keep kids safe
I nspire learning
D evelop relationships
