

Adaptive Sports Mission Statement
2005

MPS Adaptive Sports is committed to providing year round, affordable training and competitive athletic programs for individuals with a physical, visual, and/or hearing disability. As well, assisting community agencies to identify, promote, and support diverse athletic opportunities throughout the Milwaukee community.

Each session offered Summer, Fall, Winter and Spring are held evenings through out Milwaukee County. These are great opportunities to get involved and stay active while promoting healthy living.

Adaptive Sports Vision Statement

MPS Adaptive Sports will enable individuals with physical, visual, and / or hearing disabilities to participate in sport programs through creating the opportunity to educate, train, and compete at the local, regional, and national level. MPS Adaptive Sports will inspire and entice the city of Milwaukee and surrounding areas through collaborative efforts to create partnerships with existing programs in order to achieve excellence within all sports.
