PLEASE NOTE: ALL Door-To-Door Transportation Requests should be submitted WITH your entry form so there is enough time to process.

IMPORTANT NOTES for 2009-2010:

-Please plan to arrive at least 5 minutes before athletes are due to be dropped off by the busses at each event to ensure there is an adult chaperone from your school to get your athletes off the bus. At least one adult should plan to stay at the event until all of your athletes have loaded their busses.

-A **REGIONAL** Team Basketball tournament has been **added**. If you qualify for State at the Regional Tournament, your State paperwork will be turned in ON SITE on March 28th. Basketball Skills and Gymnastics State paperwork is due March 19th and will not be valid if that date isn't met.

-**DAYLIGHT SAVINGS TIME** happens again on the same weekend as the **District Team Basketball Tournament**. PLEASE remind your athletes to set their clocks ahead one hour so they are on time.

-The **Indoor Sports Tournament** falls on the last weekend of SPRING BREAK! We will work out arrangements with those that have qualifying athletes.

-Annie's cell phone number is 414-640-0619. This is the main contact number for event days.
