

2010 Game Ball Chart

The chart below indicates the various softballs to be used by each specific league for the 2010 softball season. If in doubt or if any discrepancies arise, make note of it on the Special Report Form and proceed with the game.

Listed below are the game balls adopted by each league. For regular 14-week/10-week muni leagues, the umpire is to verify that each team has provided one new ball as specified in this chart. **DUNN'S SPORTING GOODS WON THE BALL BID, THEREFORE, SOFTBALLS SHOULD BE PURCHASED AT DUNN'S SPORTING GOODS. BALLS WILL BE AVAILABLE APRIL 5TH, 2010.**

Women's Tournament and Women's Social Leagues

WS-200'S
WS-300'S

Dudley (SY11SWSP) (4A-720N) – 11" .44/375 Synthetic

Men's Classic, Men's Social, Co-Ed and Supersaver Leagues

MS-100'S
MS-200'S
MS-300'S
MS-400'S
MS-500'S
CS-400'S

Dudley (WS12RF40) (4A-240Y) – 12" .40/375 Yellow Leather/Synthetic Composite

AFFILIATED LEAGUES (The ball below is highly recommended)

MS-600'S
MS-800'S
WS-500'S
CS-600'S

Dudley (WS12RF40) (4A-240Y) – 12" .40/375 Yellow Leather/Synthetic (Men and Co-ed)

Dudley (SY11SWSP) (4A-720N) – 11" .44/375 Synthetic (Women)

In most cases, the League provides softballs for affiliated leagues. Affiliated leagues are encouraged to use the ball specified above. **If you choose to deviate from the above recommendation, the ball must not exceed .44/375.** Information regarding which team(s) are to provide the game ball, should be indicated by your league director and listed on the back of the season schedule for each league. If you have concerns please call Stacy at 475-8410.
